## Health Record Requirements

***Submit records prior to the first day of school.  
Your student will NOT be admitted to class without the required health forms as per Florida law.  
DO NOT DELAY!***

The required health forms are obtained from your student's doctor or the St. Lucie County Health Department (772) 462-3800. For those that claim a religious exemption from immunizations you must obtain Form DH 681 from the St. Lucie County Health Department.

Students **entering Kindergarten** must submit up to date:

Florida Certification of Immunization – DH 680 (Original Blue Card)

School Entry Health Exam – DH 3040 (Original Yellow Card) performed within the last 12 months

Students **entering 7<sup>th</sup> grade** must submit up to date:

Florida Certification of Immunization – DH 680 (Original Blue Card)

Not required for students transferring from any Florida public or private school, if up to date and proof can be obtained from the previous school.

If you have moved from another state, you will need to take your current immunization record to your student's doctor or the St. Lucie County Health Department (772) 462-3800.

Thank you,

Records Department
